

WE ALL HAVE A **STA±US**

HIV is not limited by age, race, religion, gender or sexual orientation.
We all have a status, and knowing yours will keep you and your sexual partners safe.

6/10

Oregonians have never
been tested for HIV

EVERYONE SHOULD GET TESTED

for HIV at least once,
if not more frequently

Knowing your HIV
status can help

STOP

NEW TRANSMISSIONS

Schedule a
**VISIT WITH
YOUR DOCTOR**

to get tested for HIV

Oregon's goal is

NEW TRANSMISSIONS

of HIV by 2021

WE ALL HAVE A ROLE TO PLAY

to keep our community
healthy and prevent HIV
transmission

an Oregon Health Authority and community initiative
