This newsletter provides regular updates and important information to citizens about their government. Our office strives to educate Oregonians about the current affairs that affect their lives, family and community.

An update on my health

As many of you are aware, I announced in June that I was diagnosed with a small, cancerous brain tumor. The support I have received since has been so encouraging to my wife Cathy and me.

I want to provide you with a video update regarding my current health. Thank you so much for all of your ongoing prayers and support during my treatment.

Sincerely,

Alanna Richardson
