Survey Request

DMV is asking for help to gather information regarding purchase and usage of the **Oregon Vehicle Code** book. This book is published every other year, following the odd-year (long) regular sessions of the Oregon Legislature. Key users of the publication include law enforcement agencies, courts, district attorneys, private attorneys and others who work with motor vehicle laws on a regular basis.

As the cost of the publication continues to rise, it becomes more difficult for courts, law enforcement and other users to purchase the copies they need. DMV is interested in exploring other options for providing the information contained in the **Oregon Vehicle Code** publication to those who need it. Please take a few minutes to complete the survey and help DMV to plan for the future of this important publication.

Note: The survey should be completed **only once per court, agency, etc.**, by a person familiar with the purchase and distribution of the **Oregon Vehicle Code** book. If you are not the correct person to respond to the survey, but you know who is, please consider forwarding the survey link to the appropriate person.
