Novel Coronavirus Updates (COVID-19)

Oregon announced its first presumptive case of novel coronavirus, COVID-19, on February 28, 2020. *Health officials continue investigating as they urge good hand hygiene, covering coughs and staying home if you are sick.*

For details on the case and advice to keep you and your family safe, please read the press release:

For general information on novel coronavirus, **call 211**. If you are having a medical emergency, call 911.

Situation in Oregon

Test Results for Persons Under Investigation (PUI)*

Last updated 3/2/2020, 11:00 AM

Positive	3
Negative	11
Pending	5
Total PUI since 1/24/2020	19
PUI who have completed monitoring without developing COVID-19	2

*PUI are individuals with COVID-19 symptoms—but not necessarily the virus—who may have been exposed through close contact with a confirmed case, travel to an affected region (China, Iran, Italy, Japan, or South Korea), or who have severe respiratory illness requiring hospitalization with no more likely diagnosis and no source of exposure has been identified.

Persons Under Monitoring (PUM)*

Last updated 3/1/2020

Current	86
PUM who have completed monitoring without developing symptoms	231
Total PUM since 1/24/2020	317

*PUM are individuals who do not have COVID-19 symptoms but who may have been exposed through close contact with a confirmed case or from travel to mainland China.
