

Oregon Health Authority | COVID-19 Updates

[CDC website](#)[中文](#)[Español](#)

The Oregon Health Authority is responding to an outbreak of respiratory illness, called COVID-19, caused by a novel (new) coronavirus. Health officials urge [social distancing](#), good hand hygiene, covering coughs and staying home if you are sick.

For general information on COVID-19 in Oregon, call 211. If you are having a medical emergency, call 911.

18 to 24	4
25 to 34	1
35 to 54	19
55 +	47
Total	75

OHA updates this data daily. Updates include:

- Cases from the Oregon State Public Health Laboratory.
- Cases from commercial and out-of-state laboratories.
- Cases and deaths by county.
- Cases by age group.

Notes:

1. Because community transmission is occurring in Oregon and recommendations on [social distancing](#) are in place, as of March 17, 2020, we no longer report daily counts of persons under monitoring.

2. Confirmation by CDC of laboratory results from the Oregon State Public Health Laboratory is no longer required; therefore as of March 15, 2020, we no longer note the number of CDC-confirmed cases.
3. Reporting of travel history and nature of illness is not available for cases reported to OHA by commercial laboratories; therefore as of March 15, 2020, we no longer include information about travel or hospitalization status.
