Note 1: Beginning with the 2018 Q2 distribution, funds previously designated for the same purposes as the Mental Health Alcoholism and Drug Services Account are instead to be used solely for mental health treatment or for alcohol and drug abuse prevention, early intervention and treatment, based on Senate Bill 1555 (2018) and House Bill 2377 (2019).

Note 2: Amounts distributed to the State School Fund, Oregon Health Authority, and Oregon State Police are limited by legislatively approved budgets for those entities. The excess amounts are held over and distributed during the next biennium.
