Medical and public health experts determine when to recommend a booster

The Advisory Committee on Immunization Practices (ACIP), a panel of medical and public health experts convened on whether to recommend that individuals who

were vaccinated with Johnson & Johnson and Moderna COVID-19 vaccines should get booster doses.

The CDC still needs to provide its recommendations. Read more on the [Oregon Vaccine News blog](#).

For hospital capacity data: Please see our [daily COVID-19 update](#) and [Hospital Capacity dashboard](#).

For data on testing at the Oregon State Public Health Laboratory: Please see our [daily COVID-19 update](#).

¹This includes cases confirmed by diagnostic testing and presumptive cases. Presumptive cases are people without a positive diagnostic test who have COVID-19-like symptoms and had close contact with a laboratory confirmed case. Antibody test results are **not** included in our data. County of residence for cases may change as new information becomes available. If changes occur, we will update our counts accordingly.

²For additional details on individuals who have died from COVID-19 in Oregon, please refer to our [press releases](#).

³This includes cases who test negative and are not epi-linked to a confirmed case.

⁴Ever hospitalized, if available, as reported to OPERA. OPERA is the state of Oregon's electronic disease surveillance system for COVID-19. Cases are considered hospitalized if they were ever admitted to the hospital for inpatient care during their COVID-19 illness. Cases who were examined in but not admitted to a hospital may be incorrectly classified as hospitalized until interview and medical record review are complete, leading to fluctuations in the number of hospitalized COVID-19 cases.

Statewide Requirements and Recommendations

On June 30, 2021, Governor Kate Brown rescinded Executive Order 20-66 and many other executive orders that directed the Oregon Health Authority (OHA) to issue enforceable guidance for various sectors of the state regarding COVID-19 restrictions.

Entities must continue to follow all applicable federal or state statutes, regulations and rules, and local ordinances.
