#### Notes:

Oregon ALERT Immunization Information System (IIS) is a statewide, lifespan immunization registry.

COVID-19 vaccination providers must document vaccine administration in their medical record systems within 24 hours of administration, and use their best efforts to report administration data to ALERT IIS as soon as practicable and no later than 72 hours after administration.

†Race categories are not mutually exclusive. People with two or more races are counted in each of their racial groups.

American Indian/Alaska Native may include data reported from the federally recognized Tribes of Oregon.

For ethnicity, a person is counted only once as either Hispanic, not Hispanic, or unknown.
